

# Welcome to Redhill Youth FC, 2021-22

## Terms of Membership

Please read this carefully in addition to our Code of Conduct.

1. By registering a player parents commit to supporting our Club Ethos and Coaching Philosophy, and following our Code of Conduct, attached. These documents can be found on the Club website [www.redhillfcyouth.com](http://www.redhillfcyouth.com).
2. By registering a player parents are committing to that player attending all training sessions and all fixtures through the season (barring illness or occasions of unavoidable events). As much notice as possible should be given to coaches of an unavoidable absence. Player absence impacts on the whole team as well as on the individual player and needs to be kept to a minimum.
3. Parents may choose to create a Social Media group, such as Facebook or WhatsApp, for the team to facilitate communications and support one another with shared lifts to matches and so forth. ***This must not be used to raise queries or to air views about coaching decisions, nor to discuss opinions on individual players' performances.***
4. In the event that a parent has a concern about a coaching decision or method, they should raise this directly with the coach(es) to discuss further. Communications of this kind must not be published in a group forum.
5. Coaches must always be communicated with respectfully.

### Provision of Kit and Equipment

The Club will provide players with shirt, shorts and socks in Club colours. It may also provide further Club standard clothing such as rain jackets and training wear. In all cases these items remain the property of the Club and must be returned on request, and in the event of a player leaving the Club. Kits shall normally be renewed every second season, although the Club retain the right to extend this if deemed necessary. If kit is damaged in the course of play in a League or Cup match or during Club training time, the item will be replaced by the Club. If damage occurs outside of this time the Club is entitled to take a contribution from the player towards the cost of replacement, at the Club's discretion. At the end of the final season for U18s/U16s, players shall be allowed to keep their kits.

**Shin pads** must be supplied by each player and worn at ALL times. A player without shin pads will not be allowed to train or play in a match.

**Correct footwear** is also to be supplied by players – studs or blades/moulds for grass pitches and astros or blades/moulds for the Astro Turf Pitch. Inappropriate footwear will lead to a player not being allowed to take part in the training session or match.

**All equipment** such as training footballs, cones and bibs is the property of the Club.

**Trophies** awarded at End-of-Season Presentations are for players to keep.

***The electronic registration form should be completed and submitted as soon as possible and no later than 18 July 2021***
